NEWS AND VIEWS. . . And What Have You BY BOB CRAIG

The football season ended a little too soon for Hamlin fans and players Friday night at Lubbock. While we all wish that the Pipers had won over Denver City and advanced to the next round of the playoffs, we can take great pride in the way this bunch of voungsters played Friday night and all the Friday nights before this one.

For a bunch of kids who were not supposed to finish better than fourth or fifth in the rough district they did quite well. In fact we have never seen a team that we were any prouder of than this one.

When you started looking around for real top notch football talent among them it was hard to find; but when you started looking for desire and determination they had a whole squad full of that kind.

The loss Friday night had to be especially hard on the senior players since it was their final football game for the Big Green, but they can take a great deal of pride in the fact that they played on three District Championship teams while in high school.

Naturally we will miss all of these seniors next year and after watching him play varsity ball for four years it will be especially hard to realize that Johnny Jones won't be playing out there next year. After four years of his kind of football it just won't seem right for him not be be out there when the season opens again

We extend our congratulations to all of the youngsters who played for Hamlin this year, from the seventh grade on up, you have had a good year and have made us all very proud. We also offer a special thanks and congratulations to the coaching staff for a job well done, they played a large part in making this the great season that it was.

They spend many long hours at this job of coaching and their dedication and hard work has to be an inspiration to the players.

And in wrapping up this football season we would extend our congratulations to the band and cheer leaders for the great job they did and a special congratulations to all of you fans who supported the Pipers all the way.

Now let's get after the round ball and see if we can't pick up some more district titles.

Ran across this in the Seminole Sentinel the other day: "With football season nearing the end, we've finally found proof that one item is more bothersome for the average American than Watergate

"The proof is a promotion run by a St. Louis auto dealer who painted labels such as 'Watergate,' 'Inflation,' and 'Taxes' on a 1965 Cadillac and allows each customer to whack at their pet peeves with a sledgehammer.

"Wonders the sales manager who keeps track of targets: 'If everybody is supposed to be so uptight about inflation, how come 'Howard Cosell' leads so far?"

A check this past week with Mayor Joe Ford indicates that we still have a long way to go on Hamlin's Bicentennial Park project. The latest figures show that just over \$1,000 has been given up to this time and the goal is for \$3,000.

We feel that this is a worth while project that needs your support. If everyone will give just a little we can easily reach the goal.

The next time you are in the bank please stop and give them a donation or else stop right now and mail them a check, it is deductible.

### JONES AND YOUNG-**Pipers Place Two Boys On All-District Team**

The Coahoma Bulldogs dominated the District 6-AA All-District selections as picked by the district coaches this past week. Coahoma picked up nine positions on the 26-man squad with the Pied Pipers, District Co-Champions with Ballinger, placing only four.

Seniors Johnny Jones and Gerry Young were named to both the offensive and defensive teams for the Pipers. Jones as a running back and a defensive back and Young as an offensive and defensive lineman.

Coahoma had four on defense and five on offense while Ballinger placed three on offense and three on defense. The Anson Tigers placed two on defense and three on offense and their coach, Dick Rogers was named Coach of the Year. Winters placed two on defense to round out the two

Selected for second team honors for Hamlin were Gary Don Mayes, defensive lineman; William Brown, defensive secondary; and Luke Reynolds, offensive

Named Honorable Mention from Hamlin were: David Moore, defensive lineman;

Tracy Rowland, quarterback; William Brown, split receiver; Gary Neal, center; and Gary Don Mayes, offensive lineman.

### **Agent Sees Some Faint Hope for Cattle Industry**

"Despite feedlot losses, high feed costs, and large supplies of feeder calves, some faint rays of hope are beginning to appear in the cattle industry," says Kirby Clayton, county agent for the Texas Agricultural Extension

Service. Several factors indicate some improvement is coming in the cattle industry, according to Clayton.

"The slaughter of yearling cattle and cows has gone up sharply in recent weeks. There will probably be about 4.8 million non-fed steers and heifers slaughtered this year, which will greatly reduce supplies of carried-over feeders.

"Calf slaughter should be 26 per cent greater than last year, which will also help reduce the supply of feeder

animals," notes Clayton. At the same time, retailers

are moving this younger beef in increasing quantities, using such fancy names as "baby beef, young beef, thrifty beef and junior beef," "There is also relief in sight

for feedlots. If fed steers continue to increase in price and if feedlot marketings continue at a low level, feedlots should finally show some profits in the coming weeks."

Another good indication for an improved beef situation is the fact that imports of beef and veal into the U.S. during August were down 29 per cent from last year. Also, imports of cattle from Mexico were down 47 per cent and Canadian cattle imports were down 87 per cent, says Clayton.

All these factors are positive in effect, but the real results may not be felt until late 1975 or early 1976.

FIFTY YEARS AGO (November 28, 1924)

Prof. Clyde E. Rhodes and wife made a trip to Claude last week. Mr. and Mrs. Rhodes report making a trade for 240 acres in wheat. Mr. Rhodes does not plan moving from Hamlin at present.

Boyd Caldwell and J. B. Nelson made a trip last week to look after their plains farms near Hale Center and Littlefield. Don't get the idea that these good farmers are going to leave this country. Their neighbors say you can't run 'em off from these "diggings."

Simple glyerine, buckthorn bark, etc., as mixed in Adlerika is excellent to guard against appendicitis. Most medicines act only on lower bowel but Adlerika acts on both upper and lower bowel and removes all gasses and poisons. Brings out matter you never thought was in your system. Helps any case gas on the stomach in ten minutes.

One of the lovely social affairs of last week was the party given Thursday afternoon at the home of Mrs. J. T. Bynum when the members of the Tuesday Club entertained a number of friends complimenting a former club member, Mrs. John Corgan of Crestonio, Texas.

Wednesday afternoon the members of the Blue Bird Club and a few invited friends were delightfully entertained by Mrs. Garland Tumlin at her home on Central Avenue.

looking further down the road. There's going to come a time when they'll be out of the saddle. Their oil will play out or the United States or some of the other oil-short countries will figure out a way to get along without Arab oil, be developing new sources of energy or learning how to use more coal or by drilling for oil all over the ocean, across Alaska and if necessary in the heart of downtown Abilene.

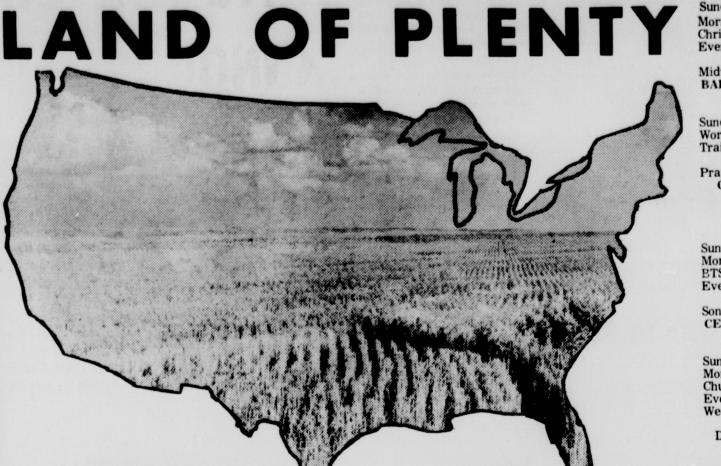

So what the Arab countries ought to be doing, against the day when the hayride is over, is cutting down on their long cars and private airplanes and putting their money in savings and loans

In the meantime, the oilshort countries are supposed to conserve all the energy and other natural resources they can, and as soon as football season is over they plan to.

I intend to do my part and am considering giving up toothpicks to save wood.

HAD A PARTY? That's news, call the HERALD.

Pages could be filled with ways that God has blessed us, and we should be continually thankful for God's goodness. At this time, however, we should pause from our daily workday habits and in unison, give special thanks to God, that we still have freedom of worship.

Attend church this Thanksgiving weekend

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

A dishwasher will usually hold a whole day's dishes. It takes as much hot water and energy to wash I dish as it does a full load. Stack your dishes out of sight in your dishwasher and wait until you have a full load to turn it

It's amazing how much water a leaky faucet will drip in a month's time and if the leaking faucet is a hot water faucet, it will waste both energy and water needlessly. As an example, a faucet dripping 90 drops per minute will waste 300 gallons per

To assure long life and efficiency, the water heater tank should have a small-amount of water drained periodically. Once a month should be adequate. The purpose of draining water from the tank s to prevent sediment build-up in the tank bottom. The thermostat controlling the water temperature

GOOD DEFENSIVE PLAY—A host of Pied Pipers stop a Denver City Mustang for short yardage during the Bi-District clash in Lubbock Friday night. The Mustangs came out on top of a 21-14 score to advance into the Regional Playoffs and will host Alpine. Making the tackle for the Pipers are David Moore (72), and Delbert Thompson (84). ### **Pipers Drop Bi-District** Game to D-City, 21-14

Time ran out for the Pied Pipers Friday night in HAMLIN Lubbock as they fell to the 17 Denver City Mustangs, 21-14, 241 in a Bi-District clash played 31 at Lowrey Field. Mistakes 3 of 7 proved costly for the Pipers 1 as they gave up the football otherwise evenly matched

The game was a striking DENVER contrast in styles of football as the Piper's explosive offense seemed to move at will only to give up the ball on mistakes while the Mustangs played a steady game of ball control and made few mistakes.

The first half was all Denver City as they ran 36 plays to Hamlin's 18 and put six points on the scoreboard. The Mustangs picked up 10 first downs to the Piper's four in the first half, but the Pipers came back in the second half to post 13 first seven.

But the big turning point in the game was a costly fumble on the part of the Pipers as they were driving for what could have been the tying or go ahead touchdown. Trailing 14-7, the Pipers drove 39 yards in five plays to the Mustang 40 only to lose the ball on a bad pitch out with the Mustangs recovering on the Hamlin 49. Two plays later the Mustangs broke loose for what turned out to

be the winning touchdown. Johnny Jones was the night's leading ball carrier with 125 yards in 14 carries for an average of 8.9 yards per trip. Playing in his final high school game, the senior running back pushed his season total 1,672 yards in 196 carries for an average of 8.5 yards per try. His career total for 42 games is 5,849 yards in 665 carries for a career average of 8.8 yards a carry. He has scored 422 points during his four years of high school football with 104 of these points coming this vear.

Top ball carrier for the Mustangs was Jeff Ham with 113 yards in 12 carries for a 9.4 average.

Other Piper running backs and their totals were: Daniel Willis, 10 for 57 for 5.7 average; Steve Evans, 7 for 35 for 5.0 average; Tracy Rowland, 7 for 16 for 2.3 average; and Robert Phariss, 3 for 8 for 2.7 average. Evans' total for the year was 89 for 444 for a 5.0 average; Willis' total was 65 for 414 for a 6.4 average; and Phariss' total was 42 for 232

for a 5.5 average. The Mustangs took the opening kickoff and picked up one first down before punting to the Hamlin 40. The Pipers picked up two first downs and 33 yards in four plays for a first down at the Mustang 27. But a 15-yard penalty put them back on the Denver City 40 and on fourth and eight Rowland's pass was high and the Mustangs took over on

their own 25. Eating up yardage and the clock, the Mustangs drove the 75 yards to pay dirt in 15 plays with Myron Sims scoring from the three with 9:47 left

Jones returned the kickoff back to the Hamlin 31, but the Pipers failed to gain a first and punted to the Denver City 35. The Mustangs moved to the Hamlin 35 before punting with the Pipers taking over at the 29.

The Pipers moved to the 44 before losing their first fumble of the night. Taking over on the Hamlin

downs to the Mustangs' 43, the Mustangs picked up a first down at the 31 before William Brown picked off a Darrell Knox pass and returned it to the Denver City 49. The Pipers moved to the Denver City 29 on a 16-yard run by Willis as time ran out in the first half.

The Pipers picked up one first down following the second kickoff before having to punt from their own 41 with the Mustangs taking over at their 24.

It took the Mustangs 11 plays to cover the 74 yards with Ham scoring from the 14. Knox passed to Ham for the two points to give the Mustangs a 14-0 lead with 3:25 left in the third period.

Jones returned the kickoff 20 yards to the Hamlin 24 to open the Pipers' first scoring drive that used up the full 3:25 minutes of the third period. Willis carried for eight, Phariss for one and Evans got the first down on a five-yard carry. Jones ripped off 23 yards to the Denver City 39 and then Willis picked up another first down on a 10yard carry to the 29. Evans gained four yards and then Jones carried for 20 yards to the Mustang five. Willis took the option pitch from Rowland and went in for the score as the quarter ended. Rowland kicked the point

Denver City failed to gain a first down following the kick off and punted to the Hamlin 21. Jones gained 16 yards to the 37 and then Willis picked up four and Phariss added four more. Rowland ran the option for six yards and a first down at the Denver City 49. Jones picked up nine yards to the 40, but then a bad pitch rolled back to the Hamlin 40 with Denver City

recovering it. Denver City picked up two yards and then broke Ham over right tackle for 47 yards and the score. Munn kicked the extra point with 7:13 left

in the final period. Phariss returned the kickoff back to the Hamlin 37 to open the second Piper scoring drive. Rowland's pass was incomplete and then he picked up five yards on the option. Evans gained the first down with an eight-yard

carry to the 50. Rowland kept on the option again and picked up 17 yards to the 33. Jones was stopped for no gain and then Rowland passed to Brown for seven yards. Willis picked up one yard and then Jones picked up nine yards and the first down at the 16. Rowland passed to Oscar Marshall for 13 yards to the three. Rowland went over his left guard for the score and added the point after with 3:21 left on the clock.

Denver City picked up one first down following the kickoff and then punted with 23 seconds left on the clock. Rowland attempted a pass to Jones only to have it picked off by Denver City. The Mustangs ran one play to end the game with a 21-14 victory and will meet Alpine for the Regional title.

AUSTIN-The House Agriculture Sub-Committee on Marketing will take its recommendations for dairy and beef producers to Washington.

Decision by the committee to travel to Washington came Friday following the conclusion of hearings conducted over the state and special conferences in Austin. Leaders in shaping the

committee's action were two West Texas State Representatives and a third from Central Texas-E. L. Short, chairman of the subcommittee: Elmer Martin of Colorado City and Jerry Donaldson of Gatesville.

"We believe the trip is necessary to best explain the need for more federal action to ease the crisis facing dairy and beef producers in Texas and all across our nation," emphasized chairman Short.

Rep. Martin, who Hamlin was one of 15 farmers the committee deal with represents the 61st District of Nolan, Fisher, Jones, Mitchell and part of Taylor counties, said agricultural economists already are estimating that the economic toll for Texas alone is staggering.

NEWS AND VIEWS. . . And What Have You By BOB CRAIG

The football season ended a little too soon for Hamlin fans and players Friday night at Lubbock. While we all wish that the Pipers had won over Denver City and advanced to the next round of the playoffs, we can take great pride in the way this bunch of voungsters played Friday night and all the Friday nights before this one.

For a bunch of kids who were not supposed to finish better than fourth or fifth in the rough district they did quite well. In fact we have never seen a team that we were any prouder of than this one.

When you started looking around for real top notch football talent among them it was hard to find; but when you started looking for desire and determination they had a whole squad full of that kind.

The loss Friday night had to be especially hard on the senior players since it was their final football game for the Big Green, but they can take a great deal of pride in the fact that they played on three District Championship teams while in high school.

Naturally we will miss all of these seniors next year and after watching him play varsity ball for four years it will be especially hard to realize that Johnny Jones won't be playing out there next year. After four years of his kind of football it just won't seem right for him not be be out there when the season opens again next fall.

We extend our congratulations to all of the youngsters who played for Hamlin this year, from the seventh grade on up, you have had a good year and have made us all very proud. We also offer a special thanks and congratulations to the coaching staff for a job well done, they played a large part in making this the great season that it was.

They spend many long hours at this job of coaching and their dedication and hard work has to be an inspiration to the players.

And in wrapping up this football season we would extend our congratulations to the band and cheer leaders for the great job they did and a special congratulations to all of you fans who supported the Pipers all the way.

Now let's get after the round ball and see if we can't pick up some more district titles.

Ran across this in the Seminole Sentinel the other day: "With football season nearing the end. we've finally found proof that one item is more bothersome for the average American than Watergate or inflation.

"The proof is a promotion run by a St. Louis auto dealer who painted labels such as 'Watergate,' 'Inflation,' and 'Taxes' on a 1965 Cadillac and allows each customer to whack at their pet peeves with a sledgehammer.

"Wonders the sales manager who keeps track of targets: 'If everybody is supposed to be so uptight about inflation, how come 'Howard Cosell' leads so far?"

A check this past week with Mayor Joe Ford indicates that we still have a long way to go on Hamlin's Bicentennial Park project. The latest figures show that just over \$1,000 has been given up to this time and the goal is for \$3,000.

We feel that this is a worth while project that needs your support. If everyone will give just a little we can easily reach the goal.

The next time you are in the bank please stop and give them a donation or else stop right now and mail them a check, it is deductible.

With inflation growing at its Continued on page 4

### JONES AND YOUNG-

### **Pipers Place Two Boys On All-District Team**

The Coahoma Bulldogs dominated the District 6-AA All-District selections as picked by the district coaches this past week. Coahoma picked up nine positions on the 26-man squad with the Pied Pipers, District Co-Champions with Ballinger, placing only four.

Seniors Johnny Jones and Gerry Young were named to both the offensive and defensive teams for the Pipers. Jones as a running back and a defensive back and Young as an offensive and defensive lineman.

Coahoma had four on defense and five on offense while Ballinger placed three on offense and three on defense. The Anson Tigers placed two on defense and three on offense and their coach, Dick Rogers was named Coach of the Year. Winters placed two on defense to round out the two

Selected for second team honors for Hamlin were Gary Don Mayes, defensive lineman; William Brown, defensive secondary; and Luke Reynolds, offensive

Named Honorable Mention from Hamlin were: David Moore, defensive lineman; Tracy Rowland, quarterback; William Brown, split receiver; Gary Neal, center; and Gary Don Mayes, offensive lineman.

The first team offensive lineup as selected by the coaches included Quarterback: Jody Bennett, Coahoma; Running Backs: Putt Choate, Coahoma; Johnny Jones, Hamlin; John Booker, Anson; and Mike Rodriquez, Ballinger; Tight End: Danny Jackson, Anson; Split Receivers: Eddie Graham, Anson; and Tommy Parrish, Ballinger; Center: Guy James, Coahoma; Linemen: Gerry Young, Hamlin; Robbie Tindol, Coahoma; John Burges, Ballinger; and Don Kelso, Coahoma.

Named to first team defense were: Linemen: Robbie Tindol, Coahoma; Don Kelso, Coahoma; Glen Colburn, Winters; John Reeves. Anson: and Gerry Young, Hamlin; Linebackers: Putt Choate, Coahoma; Tim Travis; Anson; Mike Moore, Winters; and Mike Rodriquez, Ballinger; Secondary: Tommy Parrish, Ballinger; Jody Bennett, Coahoma; Johnny Jones, Hamlin; and John Booker, Anson.

### **Agent Sees Some Faint Hope for Cattle Industry**

"Despite feedlot losses, high feed costs, and large supplies of feeder calves. some faint rays of hope are beginning to appear in the cattle industry," says Kirby Clayton, county agent for the Texas Agricultural Extension

Several factors indicate some improvement is coming in the cattle industry, according to Clayton.

"The slaughter of yearling cattle and cows has gone up sharply in recent weeks. There will probably be about 4.8 million non-fed steers and heifers slaughtered this year, which will greatly reduce supplies of carried-over feeders.

"Calf slaughter should be 26 per cent greater than last year, which will also help reduce the supply of feeder animals," notes Clayton.

At the same time, retailers

are moving this younger beef in increasing quantities, using such fancy names as "baby beef, young beef, thrifty beef and junior beef,"

"There is also relief in sight for feedlots. If fed steers continue to increase in price and if feedlot marketings continue at a low level, feedlots should finally show some profits in the coming weeks.

Another good indication for an improved beef situation is the fact that imports of beef and veal into the U.S. during August were down 29 per cent from last year. Also, imports of cattle from Mexico were down 47 per cent and Canadian cattle imports were down 87 per cent, says

Clayton. All these factors are positive in effect, but the real results may not be felt until late 1975 or early 1976.

### Stage Band to Show Movies As Part Of Tour Fund Raising Efforts

Movies will be returning to Hamlin through the efforts of the Hamlin High School Stage Band which is sponsoring a number of money raising projects to earn money for a European tour in July.

The movies will be shown each Saturday afternoon beginning this week at 2 p.m. in the Hamlin Public Schools Auditorium in the junior high school building.

Admission will be 75 cents per person and there will be an intermission during which refreshments will be sold.

The workers in the project said, "The movies will be wholesome entertainment for your children and parents of stage band members will be present during the entire time each week." Good films, cartoons and "Kiddie" type shows are planned.

The stage band started fund raising efforts after receiving an invitation from International Jazz Tours, Inc. to make a 16-day trip to six countries in Europe. Planned in the itinerary are concerts in London, Paris, Innsbruck, Salzburg and Munich.

Only four high school jazz ensembles from throughout the United States are accepted on the tour, according to Joseph L. Bellamah of Kingsville, president of the tour group.

Several meetings have been held and project chairmen for the various activities have been named. C. L. Howard is coordinator. Mrs. Robert Cary, cocoordinator, is assisting with working out details and

The schedule Tuesday calls for four games to be played with the first game to start at 4 p.m. Both the boys and girls will be playing junior varsity and varsity games.

This past weekend the Piperettes took consolation honors in the Asperment Tournament with a 74-39 win over Albany. The girls lost to Rule in the tourney opener, 63-44, and then defeated ACHS, 72-52, in the second game.

The Pipers will have only one starter back from their district championship team of last year. Coach Tom Dechairo will be fielding a young, inexperienced team this year with the exception of Johnny Jones, his lone starter back from last year.

Piperette Coach Betty Davis has three starters back from her district championship team of last year. Returning starters for the Piperettes are Elberta Cork, Kathy Hooper and Rita

The Pipers will be playing in two tournaments before they start district play. The first one will be at Stamford next weekend and then will play at Aspermont Dec. 12-14. The Piperettes will also play in the Stamford tourney and then will play in the Hardin-Simmons tourney Dec. 12-14.

The three junior high teams will host Stamford here Monday evening to open their season. The first game will start at 5 p.m.

Farmers are making good use of fair weather this week. Some are getting the feed harvested, others getting ready to strip cotton when the frost arrives. A few are doing some last minute sowing.

Fred and Frank Kemp attended the Triticale Meeting in Roby. Food products made from this grain are fine. May try to sow some of this new grain.

McCaulley High School boys and girls played basketball with Hobbs Tuesday night and lost both games. We at least made Hobbs happy as they hadn't been winning many games. Visited with the C. D.

Herrons at the Hobbs-McCaulley ball games. With back closer home. They just may move back to their farm in the Sylvester Community. Richard Spencer, County Agent, stopped by Wed-

nesday morning to give assistance with Swine Projects. I don't see how he gets all these meetings attended this time of the year. Mrs. Pratt Cox spent the

day with our good friend Ellen Galloway last week. Nice to be in retirement and live at a slower pace. We miss the fellowship of old friends and fellow workers.

Todd Stephenson broke his right arm again. He is missing a lot of basketball practice but has learned to write with his left hand. Just can't keep a good man down.

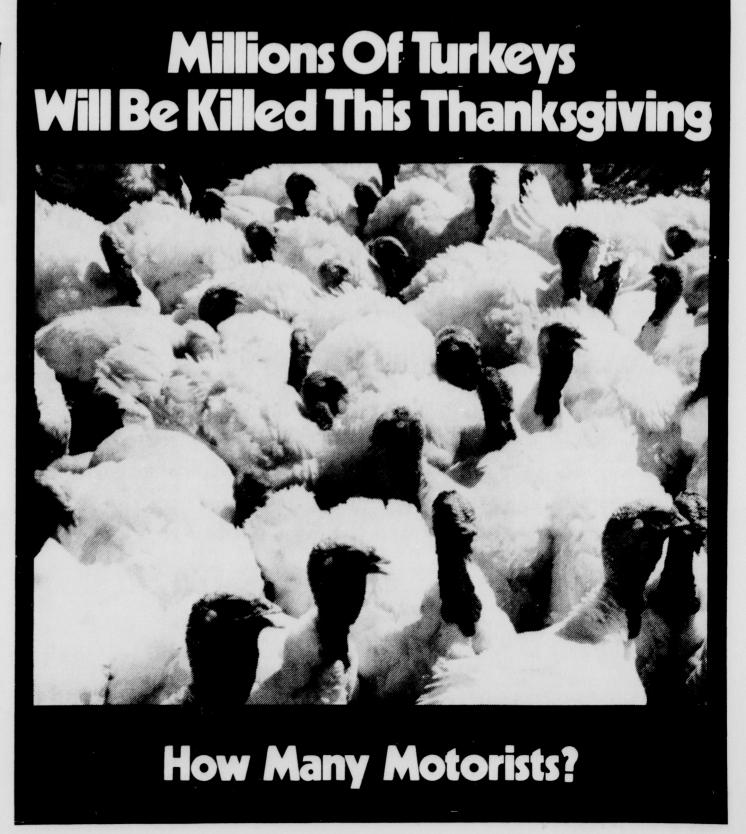

Rev. and Mrs. R. M. Babb had a bit of good fortune last week when their grocery ticket gave them a \$1000 prize at JRB, Hamlin.

McCaulley 4-H met in the Homemaking Building Thursday night. Twelve members and one adult leader attended. The program was on new 4-H projects and ideas for Christmas gifts. Refreshments were served by Barbara and Arlene Coleman and Carla Young. Our Christmas Party will be about Dec. 11 when we would like to recruit some new members.

We are enjoying our new pastor and wife, Rev. and Mrs. George Caffey. That sermon Sunday night on a little luck we may get them "Anger" really gave us some good ideas for thought and use. We are having two young ministers from Hardin-Simmons University speak Dec. 8 and are trying to recruit a choir of young people for the services. Dinner will be served at the church that day to give us a chance to become better acquainted with these student ministers and our newly acquired pastor and wife.

Community Singing will be at McCaulley Methodist Church Sunday Evening, Dec. 1, at 7 p.m.

### FROM THE FILES . . .

FIFTY YEARS AGO (November 28, 1924)

Last Sunday afternoon at 4 p.m. a fine crowd was out to begin the lesson on "The Life of Christ." One lesson will be completed each week, until the series are finished. This is open to everyone and no charges. Will be glad to have you join this.

Prof. Clyde E. Rhodes and wife made a trip to Claude last week. Mr. and Mrs. Rhodes report making a trade for 240 acres in wheat. Mr. Rhodes does not plan moving from Hamlin at present.

Boyd Caldwell and J. B. Nelson made a trip last week to look after their plains farms near Hale Center and Littlefield. Don't get the idea that these good farmers are going to leave this country. Their neighbors say you can't run 'em off from these "diggings."

Simple glyerine, buckthorn bark, etc., as mixed in Adlerika is excellent to guard against appendicitis. Most medicines act only on lower bowel but Adlerika acts on both upper and lower bowel and removes all gasses and poisons. Brings out matter you never thought was in your system. Helps any case gas on the stomach in ten minutes.

One of the lovely social affairs of last week was the party given Thursday afternoon at the home of Mrs. J. T. Bynum when the members of the Tuesday Club entertained a number of friends complimenting a former club member, Mrs. John Corgan of Crestonio, Texas.

Wednesday afternoon the members of the Blue Bird Club and a few invited friends were delightfully entertained by Mrs. Garland Tumlin at her home on Central Avenue.

James Brown of Hamlin was one of the seven men who won turkeys at the Jaycee turkey shoot Saturday evening at Stamford. He won the bird in the rifle class, open sign division of the shoot.

Oil operators and royalty holders of the Hamlin territory were elated this week over prospects for increased revenue from oil production following announcement from Austin of increased oil production allowable for the month of December.

A girl for Mrs. Leola Coleman was born Nov. 16 at 10:40 a.m. Weighing a light five pounds 11 ounces, she has been named Charlene.

A girl for Mr. and Mrs. James Underwood arrived Nov. 18 at 7:40 a.m. She will answer to Rayvonna Denise. She weighed seven pounds seven ounces at birth.

TEN YEARS AGO (November 26, 1964)

Mike Shivers was named to the 5-

AA All District team by the coaches of the district in a meeting this past week. This is the second year for Shivers to make the team and the second year for him to be the only Hamlin player to be named to either the offensive or defensive teams.

Mr. and Mrs. Bob Craig were in Lubbock over the weekend for Mr. Craig to attend a board of directors meeting of the West Texas Press Association Sunday afternoon. He is second vice president of the association.

Mr. and Mrs. M. R. Baldree of Holiday Lodge had visitors during the week from Abilene, Aspermont, Hamlin, Radium and Old Glory. Also a daughter, Mrs. J. C. Wright, of Little Rock, Ark., and Mrs. J. M. Baldree of Lubbock, Mr. and Mrs. W. M. Baldree of Fort Worth and Mr. and Mrs. James Roberts of Lubbock.

A change in the weather made news this week with below freezing temperatures which followed four days of rain that totalled 2.28 inches at the City Pump Station.

Old Glory basketball teams swept two double victories from Noodle last week. Our boys won 60-39 and the girls 82-23.

David Bonds, a McMurry senior from Hamlin, has been chosen as one of the twenty-seven students to be listed in "Who's Who Among Students in American Universities and Colleges," Bonds, a P. E. and history major, is the son of Mr. and Mrs. L. C. Bonds of Hamlin.

Editor's note: The Neinda Roebuck, things like that. Philosopher on his Johnson grass farm on Route One has a suggestion for the Arab nations this week, although we're not sure how many of Make Plans them read this paper.

Dear editor:

As I understand it, the Arab countries, recognizing a good thing when they see it, are really piling up the money with their high-priced oil sales.

In fact, they're building up so much cash-on-hand, billions and billions of it, that they're having trouble figuring out what to invest it in, since they apparently have no interest in helping some of their own people with a handful of sheep.

Anyway, according to an article I read yesterday they're studying the problem, if you want to call wondering where to invest a gob of money a problem, and it's reported they're interested in buying up foreign businesses. maybe a bank here and there, a few auto plants, Sears &

HAD A PARTY? That's news, call the HERALD.

Pages could be filled with ways that God has blessed us, and we should be continually thankful for God's goodness. At this time, however, we should pause from our daily workday habits and in unison, give special thanks to God, that we still have freedom of worship.

Attend church this Thanksgiving weekend

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

### Pipers Drop Bi-District Game to D-City, 21-14

HAMLIN

Time ran out for the Pied Pipers Friday night in HAMLIN DENVER CITY Lubbock as they fell to the 17 Denver City Mustangs, 21-14, 241 in a Bi-District clash played 31 at Lowrey Field. Mistakes 3 of 7 proved costly for the Pipers 1 as they gave up the football 2 for 31.5 on three turnovers in an 4 for 28 Penalties 5 for 33 otherwise evenly matched

The game was a striking DENVER contrast in styles of football CITY as the Piper's explosive offense seemed to move at will only to give up the ball on mistakes while the Mustangs played a steady game of ball control and made few mistakes.

The first half was all Denver City as they ran 36 plays to Hamlin's 18 and put six points on the scoreboard. The Mustangs picked up 10 first downs to the Piper's four in the first half, but the Pipers came back in the second half to post 13 first downs to the Mustangs'

But the big turning point in the game was a costly fumble on the part of the Pipers as they were driving for what could have been the tying or go ahead touchdown. Trailing 14-7, the Pipers drove 39 yards in five plays to the Mustang 40 only to lose the ball on a bad pitch out with the Mustangs recovering on the Hamlin 49. Two plays later the Mustangs broke loose for what turned out to

be the winning touchdown. Johnny Jones was the night's leading ball carrier with 125 yards in 14 carries for an average of 8.9 yards per trip. Playing in his final high school game, the senior running back pushed his season total 1,672 yards in 196 carries for an average of 8.5 yards per try. His career total for 42 games is 5,849 yards in 665 carries for a career average of 8.8 yards a carry. He has scored 422 points during his four years of high school football with 104 of these points coming this

Top ball carrier for the Mustangs was Jeff Ham with 113 yards in 12 carries for a 9.4 average.

Other Piper running backs and their totals were: Daniel Willis, 10 for 57 for 5.7 average; Steve Evans, 7 for 35 for 5.0 average; Tracy Rowland, 7 for 16 for 2.3 average; and Robert Phariss, 3 for 8 for 2.7 average. Evans' total for the year was 89 for 444 for a 5.0 average; Willis' total was 65 for 414 for a 6.4 average; and Phariss' total was 42 for 232 for a 5.5 average.

The Mustangs took the opening kickoff and picked up one first down before punting to the Hamlin 40. The Pipers picked up two first downs and 33 yards in four plays for a first down at the Mustang 27. But a 15-yard penalty put them back on the Denver City 40 and on fourth and eight Rowland's pass was high and the Mustangs took over on

their own 25. Eating up yardage and the clock, the Mustangs drove the 75 yards to pay dirt in 15 plays with Myron Sims scoring from the three with 9:47 left STORY IN FIGURES First Downs Rushing Yds. Passing Yds. Passes Intercepted by Punts 3 for 36 Fumbles Lost

in the second period. A bad snap cost the Mustangs the point after.

Jones returned the kickoff back to the Hamlin 31, but the Pipers failed to gain a first and punted to the Denver City 35. The Mustangs moved to the Hamlin 35 before punting with the Pipers taking over at the 29.

The Pipers moved to the 44 before losing their first fumble of the night.

Taking over on the Hamlin 43, the Mustangs picked up a first down at the 31 before William Brown picked off a Darrell Knox pass and returned it to the Denver City 49. The Pipers moved to the Denver City 29 on a 16-yard run by Willis as time ran out in the first half.

The Pipers picked up one first down following the second kickoff before having to punt from their own 41 with the Mustangs taking over at their 24. It took the Mustangs 11

plays to cover the 74 yards with Ham scoring from the 14. Knox passed to Ham for the two points to give the Mustangs a 14-0 lead with 3:25 left in the third period. Jones returned the kickoff

20 yards to the Hamlin 24 to open the Pipers' first scoring drive that used up the full 3:25 minutes of the third period. Willis carried for eight, Phariss for one and Evans got the first down on a five-yard carry. Jones ripped off 23 yards to the Denver City 39 and then Willis picked up another first down on a 10yard carry to the 29. Evans gained four yards and then Jones carried for 20 yards to the Mustang five. Willis took the option pitch from Rowland and went in for the score as the quarter ended. Rowland kicked the point

Denver City failed to gain a first down following the kick off and punted to the Hamlin 21. Jones gained 16 yards to the 37 and then Willis picked up four and Phariss added four more. Rowland ran the option for six yards and a first down at the Denver City 49. Jones picked up nine yards to the 40, but then a bad pitch rolled back to the Hamlin 40 with Denver City recovering it.

Denver City picked up two yards and then broke Ham over right tackle for 47 yards and the score. Munn kicked the extra point with 7:13 left in the final period.

Phariss returned the kickoff back to the Hamlin 37 to open the second Piper scoring drive. Rowland's pass was incomplete and then he picked up five yards on the option. Evans gained the first down with an eight-yard

carry to the 50. Rowland kept on the option again and picked up 17 yards to the 33. Jones was stopped for no gain and then Rowland passed to Brown for seven yards. Willis picked up one yard and then Jones picked up nine yards and the first down at the 16. Rowland passed to Oscar Marshall for 13 yards to the three. Rowland went over his left guard for the score and added the point after with 3:21 left on the clock.

Denver City picked up one first down following the kickoff and then punted with 23 seconds left on the clock. Rowland attempted a pass to Jones only to have it picked off by Denver City. The Mustangs ran one play to end the game with a 21-14 victory and will meet Alpine for the Regional title.
